Hassaan Javed

Full-stack Developer @ Cipher Developers | GraphQL, Tailwind CSS
Lahore, Punjab, Pakistan

Summary

As a Full-stack Developer at Cipher Developers, I specialize in leveraging technologies such as GraphQL, Tailwind CSS, and Prisma ORM to contribute to the development of efficient, scalable web solutions. My role has allowed me to refine my technical skills while supporting the creation of impactful applications.

Pursuing a Bachelor of Science in Computer Science from the Government College of Science Lahore, I am committed to deepening my understanding of modern development practices. I am particularly focused on mastering frameworks such as Next.js and NestJS, with a keen interest in exploring automation tools like n8n to streamline workflows and enhance service integration.
